Celje, May 2020

Dear competitors,

Aeroklub letalska šola Celje organises international competition Celje Cup 2020, as part of XXIX. Slovenian national gliding championships in club and open class. Competition is organised in association with Aeronautical Association of Slovenia. The competition is open to foreign pilots and will be held at Celje airfield (LJCL).

Celje is located in Slovenia, only 20km from eastern edge of Alps in valley of river Savinja. South and north of airfield there are small hills, which allows us early starts. Wide valley with a lot of outlanding possibilities provides very comfortable final gliders.

Celje is friendly not only to pilots, but also to their families and helpers. There are a lot of natural Spa facilities nearby, local hills are ideal for hiking, nearby lake has nice running tracks. Celje is historical place, with castle from Middle Ages. Downtown you will find a lot of nice restaurants.

It is also hometown of LX instruments.
